The Road Less Travelled – The Open Heaven

As we end the year 2022, I rejoice at what YHVH has done in our lives as a family, our team of volunteers and partners with the Bulldozerfaith Ministry Project. The breakthroughs this year have been so powerful that thousands of lives have been impacted. There is nothing like being in the parks and on the streets ministering one-on-one and seeing a network of street pastors and evangelists ordained who continue to impact many lives.

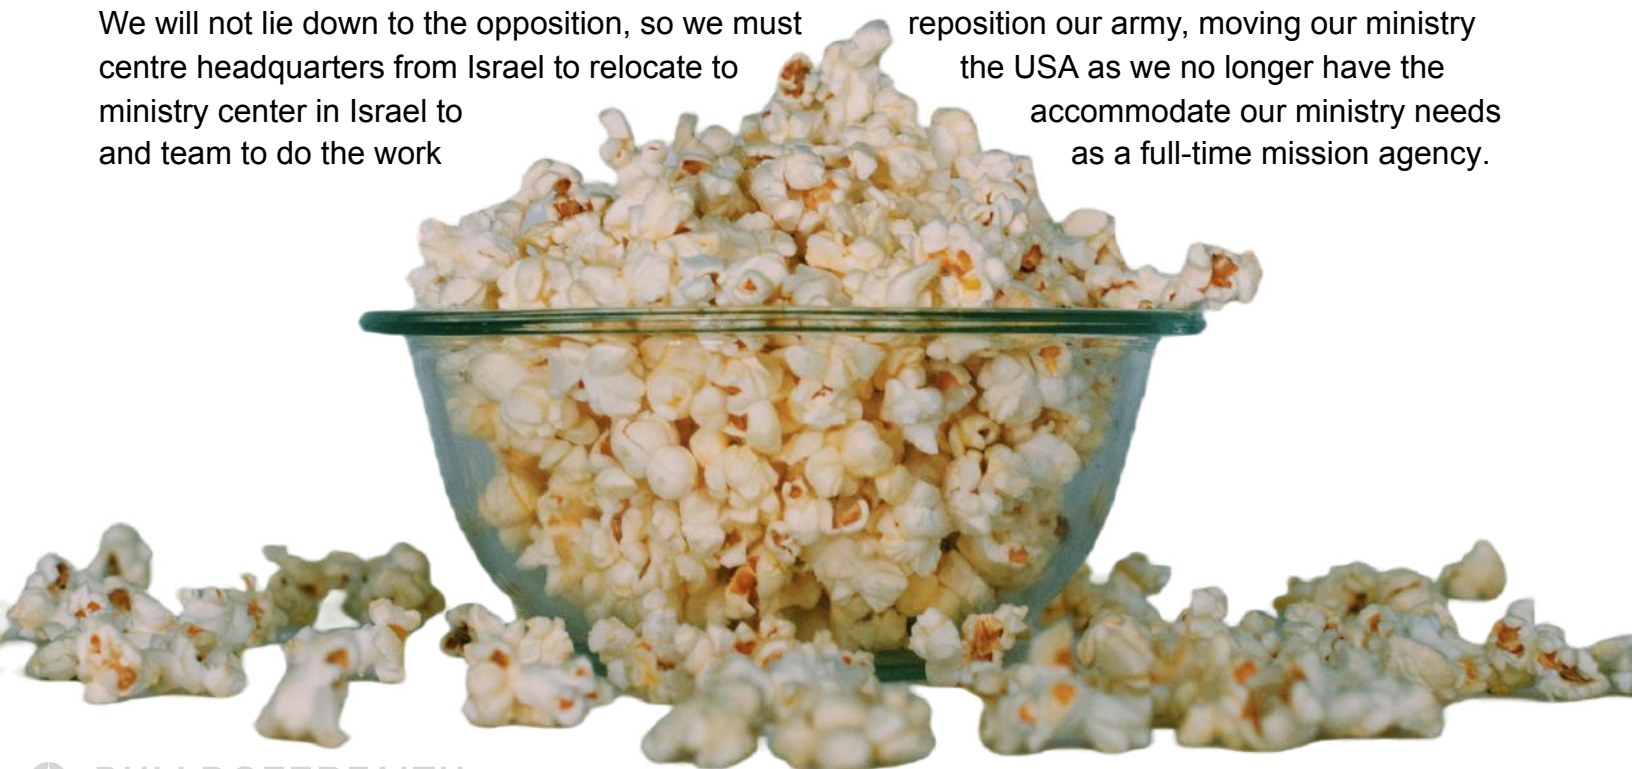

We have done it, we transitioned to a full-time mission agency, and YHVH has blessed us so much – He has made a way as no man could. The hand of God has been on every step, and many obstacles have been removed. Yes, we have had so much opposition against the mission, some very hostile. Still, here we are, lifting the name of Yeshua high, and the enemy has been defeated repeatedly. I feel like we are raising a modern-day version of David's army, and yes, we shout the victory, but the battle is far from over. Praise Yah for this new season stretching the tent cords wide!

YHVH has gifted me with a gift of faith, and I seek to live a lifestyle showing how to truly walk in the Spirit, walking in our callings and being led by the Holy Spirit. You would expect this to have been the norm, but many are happy using their natural gifts and hype marketing to build today. We need to see the reality of Yah break through. With so many emotional and misleading ministries, it is difficult to know where the hand of God rests and what to give our time and resources to.

I believe that Bulldozerfaith is an example of surrendering to God's will and purposes as we walk the road less travelled. This is the road that is NOT about the "What's in it for me, mentality?"; yes, God cares about your daily needs, but what price are we willing to pay to bring Yeshua to a lost generation?

In Israel, we are attacked on all sides; we can hardly gasp a breath, but we are still breathing, LOL, just barely!

We will not lie down to the opposition, so we must reposition our army, moving our ministry centre headquarters from Israel to relocate to the USA as we no longer have the ministry center in Israel to accommodate our ministry needs and team to do the work as a full-time mission agency.

To Go, We Need a Word From Heaven

We have done what we always do, which is what our ministry is known for, for over 30 years. We walk the walk with signs and wonders following. I don't care about what we know until we know how to GO! God is truly directing our steps and it is spreading as more catch the vision. We have a small group of financial supporters which we praise yah for, and also, we are blessed with a powerful prayer army network which is growing. YHVH takes what we have and multiplies it every day for us to sow into those without Hope.

Remember the scripture that says, "You who have no money, come buy eat! Come, buy wine and milk without money and without cost" this is not the primary focus of Isaiah 55 but an invitation to move from the natural into the supernatural. As we enter 2023, our goal is to keep ordaining more in ministry and providing a support system, as we press forward to raise one thousand 'Pastors of the Parks,' Isaiah 55 v6 "listen, listen to me and eat what is good, and delight in the richest of fare. Give ear and come to me; listen that you may live."

Can we hear v6?

"Seek the Lord while He may be found; call on Him while He is near. Let the wicked forsake their ways and the unrighteous their thoughts. Let them turn to the LORD, and He will have mercy on them, and to our God, for He will pardon."

Can we see God's love for the brokenhearted?

V8-11 "For my thoughts are not your thoughts, neither are your ways my ways," declared the LORD. As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts. As the rain and the snow come down from heaven and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the Sower and bread for the eater, so is my word that goes out from my mouth. It will not return empty but will accomplish what I desire and achieve the purpose for which I sent it.

Do we get it yet?

Everything that happens here on earth is because of what is coming from heaven. Do you see how big God is in your situation, and you're calling? Are our lives lined up with God's will? Then it is our destiny to "go out in joy and be led forth in peace, the mountains and the hills will burst into song before you, and the trees of the fields will clap their hands" v 2

V 13 Instead of the thornbush, will grow the juniper, and instead of briers, the myrtle will grow. This will be for the LORD'S renown, for an everlasting sign, that will endure forever."

"Seek the LORD while He may be found."

As I write, I know I am prophesying over the ministry and the coming year. The rain from heaven has fallen, the earth has been nurtured, many have been saved, delivered and healed.

Yeshua says, "go," and we will go. We have gone out with little to no money through 2022 "BUT GOD" has miraculously provided every step.

I have travelled thousands of miles, given away thousands of dollars in food and help to the needy and prayed for the broken and lost. Today as I sit in a hotel in Toronto to pray and write, I have not even enough money to eat three times a day because the needs of others are so great. I want my family to have a car that can drive up hills and not leak oil everywhere. We could have had all the comforts of this world, but instead, we choose to go "we will go!" Hayley and Hannah are both pressing forward in ministry also, it is not easy with me being overseas for seven months this year. Pray for strength for our family as we sacrifice to go to the nations and build our new center. Hayley is filming and acting in Israel when the opportunity arises, giving openings to minister the love of Yeshua. Hannah just finished her debut Novel, three years, 696 hours, and 90,042 words! I just finished listing to her book and am a very proud father what a great message she shares.

And I Prayed

I walked past the homeless yesterday in minus 20 degrees with nothing in my pockets to help, so I prayed. As I prayed, I saw a man wearing a suit bend over and give the homeless man his coffee and box lunch, bringing joy to the poor man covered in a sleeping bag lying on a drain with steam for some heat. Then the next street over, I saw another homeless person freezing, I still had no money but prayed, and a well-dressed woman crouched down and gave up her lunch! I watched the hand of God moving with people sharing compassion to the broken.

I continually learn that provision is all around, but we must pray. I know what it is to have and what it is to be hungry and to go without – to have is good BUT to pray as we go is an everlasting sign of God's glory that will last forever because we go in His name!

2023 will be a year for financial breakthroughs in our mission outreach campaigns, and the funding will come in if we will be a people who will pray!

- Pray for the 1,000 new locations for Pastor of the Park
- Pray for the finances we can sow into each new ministry location with prayer tents, signs, and "Letters of Hope."
- All outstanding debt from the lockdowns to be cleared \$150,000
- The provision for the visas, so we have free travel to the USA \$20,000
- A new car in Israel for our ministry and family
- For an increase in monthly supporters and ministry partners
- Pray, we can fund employment for our core staff team
- For Hannah to get a publishing deal for her book
- For Hayley to have increasing favor and opportunities in Performing Arts and Film

The road has been far from easy, but it has been worth it all!

Many Blessings, Kenny

What's Next For 2023

During the first 2 months of 2023, please pray for us to establish this next phase of the ministries work to build a missions fund structure for our projects.

Where there is vision there is provision and building a mission agency is more than equipping the teams on the ground but also taking the responsibilities to train equip and release those the Lord brings our way.

The needs in our communities around the world are greater than ever and we need to send. We are committed to a much larger responsibility in the growing more resource channels so we can bless project locations for "Pastor of the Park" helping teams with equipment for the mission and hands-on training. The Holy Spirit told me that we will have an overflow of resources to support and be involved with the park locations as the Spirit directs also helping the pastors and evangelists as needs arise.

We need to add: -

- A worship Center
- Creative ministry departments working on street productions, evangelism presentations and publishing materials for discipleship training in small group studies
- Resources for equipping the body of Messiah for teaching every believer how to be a witness
- Teams/ individuals who will promote our work in cities across north America to understand the work of our mission agency.

I want to aim to establish a larger seed fund to give more in 2023 stretching us to grow and sow, we are not limiting God in this!

Let's pray together to call in Messiah's provision unlimited!

Strong winds in Israel and all the rain is missing we had to anchor the sukkah and we also lost power. Sukkot 2022 Israel

Landed in Tel Aviv after 24 weeks mission - great to share Yeshua on the flight with religious Jews. When I asked so how do you deal with atonement since the destruction of the temple? They said. "It is simple we just say sorry and God says OK!" So was all the sacrifices of the past just not needed? Answer "We just don't think about it" This opened the door to share my testimony on being born again and Yeshua's sacrifice setting me free from sin and invited them to know the Messiah and His sacrifice is the true answer, not swinging a chicken over your heads or money! Holy Spirit come and remove the blindfold!

THE MISSION CONTINUES....

Before arriving in Canada, I stopped in at Detroit and stayed with a beautiful couple who are partners with us in the ministry. I love meeting people who follow along with us from all over the world. It's such a blessing to meet in person. When our ministry was in Canada in 2016, I knew we would be back. Within one week of being there I already recognized our calling in this country, so I immediately set up a Non-Profit Organisation as a foundation to build on whatever the Holy Spirit would lead us to do. What we are doing in the USA includes Canada, and we continually pray for both. With Yehovah, it is about His timing and keeping in step with His plans. As always, our ministry is not focused on what we can build, only on what we see the Father's building, and we are His co-workers in that. The Father set up a divine appointment with a brother who had been trying to contact with our ministry for six or seven years. Now here I was, right on his doorstep, and so we were able to get together. God is good! I experienced resistance when I first came to the park at Sarnia, so I walked around its borders and on its different paths, praying over the area to establish God's presence in the area. I always do this when I go to a new location to sign myself with what the Father wants to do in that place. I did experience some aggression from a group of people involved in the occult. They were trying to speak curses over the prayer tent to make us leave, but "Greater is He that is in us than he that is in the world" 1 John 4:4. We weren't going anywhere! In fact, a few days later, I felt a breakthrough in the Spirit, and everything started to flow. We prayed for many people, seeing people delivered, healed, and set free. Children were baptized, and we were joined by some local fellowships who came to minister the love of Yehovah alongside us. It was a fantastic time. The Holy Spirit directed me to obtain two people with a divine calling to be a Pastor. We had a great night of fellowship and worship with family and friends as both were prayed over and presented with their certificates. I know being here in Canada, this time is another piece of the foundation of what Yehovah is establishing for what is coming.

A Letter Of Hope

Dear friend,

This morning when I was praying to God, He asked me to give out letters to as many people as possible because many are crying out asking for help. He hears these cries for help. I know you don't know me, but God knows you and wants to help those who have lost their way. This letter might be a lifeline or just a special reminder to know the love of God is here for you today. You may have been strong in the past, but today, maybe, you feel disconnected and lonely. I have good news that has changed my life and the lives of untold millions.

I discovered that Jesus' love is so amazing it can heal and save you no matter what you face.

Jesus gives hope, and He will heal your broken heart; there is no fear in love.

Perfect love drives out fear because fear has to do with punishment, and the one who fears is not made perfect in love. **Today, Jesus wants to take away your fear and give you the free gift of His love.**

Jesus said, "Come to me all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

I used to walk with the weight of the world on my shoulders, but the day I gave my life to Jesus, He set me free.

Maybe you have put your trust in many things, but you have been let down and are still walking through life in your pain and brokenness, afraid of where to turn whilst hoping someone will share the answer to the unanswered questions in your heart.

I have taken comfort in Jesus, and the Bible has shown me how much God loves me and even though He created all things, He has time for you and me.

One time, God told me, "Do not be afraid; you will not be put to shame. Do not fear disgrace; you will not be humiliated."

When we hurt, it is only natural to close up and protect our own hearts; we put our heads down and don't want to look people in the eyes. Many of us have stopped asking questions for fear of rejection. God also says, **"You will forget the shame of your youth."**

We have all done things we regret, and sometimes we think we are the only ones, but I came to find out that I was not alone; in fact, everybody has walked in shame!

I gave my life to Jesus because the Lord is my maker. He created me, and if I need help to restore and fix my life, what better person to turn to than Him! We all have spent time trying to find the answers to life in so many places, but the Lord Almighty is His name, and He is MIGHTY to save.

I accepted the Holy One of Israel and Jesus as my redeemer because He is the God of all the earth and everything in it.

He heals the brokenhearted

He heals the brokenhearted and binds up their wounds. He determines the number of stars and calls them each by name. Great is our Lord and mighty in power; His understanding has no limit. The Lord sustains the humble and casts the wicked to the ground.

What to do when you don't know what to pray?

When I don't have the words, I like to pray the words in the Bible. In Psalms 51, David wrote a letter to God, and he shared it with everyone, so the cry of his heart could also be the cry of our hearts. Maybe today it could be your personal prayer?

Psalms 51

Have mercy on me, O God, according to your unfailing love; according to your great compassion blot out my transgressions. Wash away all my iniquity and cleanse me from my sin. For I know my transgressions, and my sin is always before me. Against you, you only, have I sinned and done what is evil in your sight; so you are right in your verdict and justified when you judge. Surely I was sinful at birth, sinful from the time my mother conceived me. Yet you desired faithfulness even in the womb; you taught me wisdom in that secret place. Cleanse me with hyssop, and I will be clean; wash me, and I will be whiter than snow. Let me hear joy and gladness; let the bones you have crushed rejoice. Hide your face from my sins and blot out all my iniquity. Create in me a pure heart, O God, and renew a steadfast spirit within me. Do not cast me from your presence or take your Holy Spirit from me. Restore to me the joy of your salvation and grant me a willing spirit, to sustain me. Then I will teach transgressors your ways, so that sinners will turn back to you. Deliver me from the guilt of bloodshed, O God, you who are God my Savior, and my tongue will sing of your righteousness. Open my lips, Lord, and my mouth will declare your praise. You do not delight in sacrifice, or I would bring it; you do not take pleasure in burnt offerings. My sacrifice, O God, is a broken spirit; a broken and contrite heart you, God, will not despise.

Thank you for taking the time to read this letter.

I hope this small window of hope shows you how much God loves you.

IMPORTANT UPDATE - PLEASE READ

The results from the last scan of Gerry's lungs showed that his lungs have been restored to 112% capacity for his age etc. This is a miracle and the doctors cannot explain how the scar tissue which filled Gerry's lungs after COVID has now gone. How the oxygen enters the blood is not quite completely healed yet and Gerry is believing for a complete healing in this area too even through where he is at, he is able to live a completely normal life. There was also a spot on his lung that is now undetectable and the case of that issue has now been closed. Praise Yehovah!!

TESTIMONIES

by grace

Lying in the hospital bed, struggling to breathe with no energy, I knew this virus was determined to take me down. Still, Yeshua was just as determined to bring me through. He knew the victory was His, and all I had to do was believe and put all my faith in Him.

I arrived at the COVID ward at 5.42 am on a Tuesday in September and from that moment, I felt the presence of Yehovah reassuring me, and it never left.

"Because I walk in my Father's ways, I am protected."

(Deuteronomy 7:15 with vs.12)

"Fear not for I am with you; be not dismayed, for I am your Elohim; I will strengthen you, I will help you, I will uphold you with My righteous right hand." (Isaiah 41:10)

I knew Yehovah was preparing me for what lay ahead. At seventy-four years of age, I was aware that catching COVID at this stage in my life was probably not going to go well. My body may have been weak, but the faithfulness of a mighty Elohim who I serve was rock solid. I also had the support of my steadfast and loving wife, Jennifer, plus family and friends who were praying for me. I was ready for the journey.

It's humbling that in the moments in life where we feel the most vulnerable, Elohim feels the closest. I don't think anyone would willingly choose to walk in the shadow of the valley of death but to experience the presence of God in that place is life-changing in a way that is hard to explain, unless you have walked a similar path. He took me to times in my past where He had sheltered me and bought me to safety. He was increasing my faith. He knew how much I needed Him there in that hospital room. Scripture upon scripture flooded my mind chasing away all fears and doubt. The enemy loves to try and gate crash when he sees you are at your lowest. But he wasn't invited, so I wasn't letting him in. I kept my eyes on Yeshua.

It was hard on Jennifer as well, as she wasn't allowed to be with me. But Yeshua was holding her close, reassuring her that He had me in His hands. We do everything together, so to be apart when you need each other the most was very painful and lonely. Not being able to reach out in the darkness and hold each other's hand was tough. But she advocated for me with the doctors and made sure all the right decisions were being made. I will be forever grateful.

After about nine days, I ran into problems as my oxygen levels had plummeted, and I developed pneumonia. Still, I wasn't uncomfortable, and the doctors couldn't understand why. I could...

"The Lord watches over you - the Lord is your shade on your right hand; the sun shall not strike you by day, nor the moon by night. The Lord will keep you from all evil - he will keep your life." (Psalm 121:5-7a)

I continued to develop more complications as the days went on, and I required a higher level of oxygen support. My blood pressure and my stats got so low that I was transferred to a high dependency ward.

"He heals the brokenhearted and binds up their wound." (Psalms 147:3)

"YHVH is my rock and my fortress and my deliverer; my Elohim, my rock, in whom I take refuge, my shield, and the horn of my salvation, my stronghold." (Psalms 18:2)

My Lord and Saviour was never far away, and I felt the peace of His presence and the comfort of His words.

Sometime during the night, I stirred from my sleep because my back was chilled. The window behind me was slightly open to allow any COVID virus to be ventilated from the room.

Just at that moment, my blanket was pulled down and tucked in. I said, "Thank you," but there was no response. Even with the full-face mask on, I could scan the room, and there was no one there!!! Later I felt the back of my right forearm gently brushed, but again no one was there! Were these divine appointments of angels attending to me?

Over the next couple of days, my oxygen levels began to improve, and I didn't need as much oxygen support. However, I was still critical as the COVID virus was attacking my lungs. If I deteriorated any further, the next step would be intubation, and there was a 50/50 chance of survival. Jennifer was praying for me, and Yeshua was feeding me every day on words of assurance in the Word. I was content, knowing I was getting the care I needed. But all my confidence was in knowing that Yehovah was watching over it all. I was really in His care; everything else was secondary to that.

The mask was really hurting my nose. The consultant had been in, and they tried me without the heavy mask for a few hours to see how I responded. Oxygen support was now reduced to 40%.

The noise from my soft mask was like steam from a steam engine. Recovery is a journey from illness to health, keeping you moving forward. You may remember a scene from Doctor Zhivago when his family travels across the Steps of Russia towards the Urial Mountains.

They were fleeing from a place of war and destruction to a place of peace and safety. So this is my journey, from a place of sickness and death to a place of health and life. My room was like their boxcar as I couldn't see much in the physical. Then I saw a vision of a powerful black loco pulling me steadily, relentlessly forward. Like their boxcar, I could see the sky and the shining sun. There was no smoke, and the driver sat to the left of the cab. I saw his back, continually checking and making minor adjustments to the engine controls. Father speaks to us in the Spirit through our past physical experiences.

The minor adjustments by the driver represented the continuous attentive work of the Spirit of Yehovah. The fact that the driver never looked back was because Yehovah had decided my illness would 'not be unto death.' (John 11:4)

"I have heard your prayer and seen your tears; I will heal you" (2 Kings 20:5), thus nothing needed to be checked.

"Yehovah has sworn, "Surely, as I have planned, so it will be, and as I have purposed, so it will happen.

(Isaiah 14:24)

As surely as Doctor Zhivago's train made it's way slowly to the safety of the mountain, I knew my journey of recovery was going to be steady but strong. Yehovah confirmed I would live, which gave me an overwhelming sense of joy. I am now out of the hospital and back home with my Jennifer. We thank Yehovah every day that He was there with us both in a place we never thought we would be. I was never worried about dying because I knew I would be with the Lord, but I was sad for Jennifer to be left on her own. We sat down together and read the journal of my time in hospital, both weeping as we realized the enormity of Yehovah's word and His blessing.

PARTNERSHIP IN MINISTRY

Gottalife Ministries is blessed to have a growing partnership base standing with us. We want to encourage newcomers to consider partnering with BulldozerFaith, monthly or as the Ruach HaKodesh leads. We have been serving the global community of believers for over 30 years through media, online, and traveling ministry. For us, it is not only about people listening to teachings and attending ministry events but also joining together with other like-minded people to engage in missions.

Today, we are connected with a growing group of passionate believers from different nations who desire to gather in one designated online space for prayer and encouragement in the Messiah. This has inspired us to launch Crossing Point Global Community to support the calling the Father has placed on our lives and create an environment for us to unite in faith and purpose.

The positive takeaway from the events of 2020 during the Covid-19 pandemic is that we have enjoyed more frequent interaction and online fellowship. Our daily devotional times have been a great source of encouragement and faith-building as we focus on edifying and supporting many on their daily faith walk.

Through BulldozerFaith, get ready for more spiritual growth and consider playing a part in our mission to develop ways to interact and build a strong faith community. Crossing Point's focus is to be a new platform developed within Bulldozerfaith as an outreach tool to share with our families and friends, bringing Yeshua's truth through the Torah and the Gospel of the Kingdom. We will be providing better access for personal ministry, prayer groups, and discipleship training to equip and operate more as a faith community where we can serve each other and function better as the body of Messiah, making a difference in others' lives.

Our direction in outreach is in three steps for ministry growth: friendship, relationship, & partnership.

1. **Friendship** – Outreach through caring for the needs of others and hands-on personal ministry.
2. **Relationship** - When we spend time together around the Word in the presence of Elohim, bringing us all to closer relationships, as a family, being one in the Messiah.
3. **Partnership** - When we establish mutual trust and desire unity together in outreach and fellowship, partnering becomes easy for seeking His Will and being dedicated to giving in time and finances to support the ministry.

We are prayerfully seeking Elohim to bring new partners to join us as the Spirit leads us to continue maintaining the ministry and expanding into the areas of greatest need.

Kenny is available to chat with you if you are considering supporting us in any way, and we thank you for being a part of what Yehovah is doing through BulldozerFaith.

Please send Kenny an email at kenny@bulldozerfaith.com, and we look forward to what YHVH has in store for our future.
