Ministry Update

I'm in New York now while all the end-of-year celebrations are happening. It's an excellent opportunity for me to spend time set apart, in prayer, and seek the Holy Spirit's direction for the following steps to take on this mission trip, which is now extended through January.

We started strong in the USA in the first week of December, and I was able to share with many private/public meetings, including Oakdale Baptist in South Carolina, with long-time friend Pastor Joey Deese. I was blessed to spend part of Hanukkah with the Lion Of Judah Ministries family in Blackstone, VA, then on to Pennsylvania, sharing on the war in Israel and why we need to tour; fundraising at this time. This trip is essential as raising increased financial support will enable us to respond to the distribution needs across the country, helping other ministries logistically with deliveries and evangelism opportunities; hallelujah! We bring supplies and the gospel hand in hand wherever we go and will not lose touch with the increased spiritual as well as physical needs. **We have one vehicle and a small trailer in Israel, but to be effective, we need a much bigger 4x4 vehicle with a twin axle fully enclosed trailer to respond to the many requests we are getting.**

What a joy sharing the truth found in Torah the clear Gospel of Yeshua, (Jesus) across Israel. The Scriptures are the foundational truth needed to make more people aware of what's going on in the war, and it's a call to align ourselves with the God of Abraham, Isaac, and Jacob. As we all know, the reports on many news media outlets don't bring the truth needed, so we take every opportunity within public meetings and broadcast opportunities to shine the light amid great darkness.

As I've traveled, the Holy Spirit had me include Canada, and I found the people very receptive. A big thank you to Al and Connie from Pembroke, who generously took care of me while I was there, organized speaking events, and drove us up to see Bob and Huguette in Elliott Lake, who also had arranged several events for me to speak.

As we advance, our purpose for the ministry remains the same: growing Bulldozerfaith as a Mission Agency internationally.

Over the last year, we have

- Successfully established a system to supply and deliver our Prayer Tent equipment to virtually any civilized part of the world.
- Remained consistent in our dedication and training to launch more prayer tents for outreach in every location possible
- Focused on building a robust prayer network while supporting our leadership teams to become even more fruitful
- Maintained our primary objective, which is to establish a training center to address the increasing need for mission outreach events and training. Our initial focus is to establish one thousand "Pastor Of The Park" locations with local teams. These will serve as stepping stones toward the eventual Discipleship fellowships in the USA and Canada.

Would you like to be a part of establishing missions for 2024?

Swords Of Iron Including Letter Of Hope

Messianic Emergency Relief Fund and letter of introduction for BulldozerFaith for you to share with individuals and fellowships in your area interested in knowing more about support and praying through the war.

Message

We need your prayers and support right now and we understand some are just starting to get to know our ministry and work and we want to share a letter of introduction about us and our work.

I am writing this to you as a Minister of the Gospel for over 30 years and a citizen of Israel for the past 13 years. At this time, I have witnessed my family, friends, neighbors, and fellow citizens live through the atrocities and trauma of the current war against Hamas, the terrorist organization in Gaza, in the South, and now we are preparing for an ongoing war with an even greater terrorist organization Hezbollah in Lebanon pointing hundreds of thousands of missiles at Israel and not forgetting the Houthis in Yemen, the dangers in Syria who are all proxies of the Islamic regime in Iran all with the desire to eliminate the Jewish people and destroy the State of Israel.

We are in dark and desperate times, with over 1,400 of our citizens dead, murdered by demonized devils! We know that satan seeks to steal, kill, and destroy, but in the midst of raging violence, there are people born-again, washed and cleansed by the blood of Yeshua (Jesus), who will not sit back and do nothing. This is why we turn to you, our fellow soldiers in the army of the LORD today, for help. We can make a difference, through the many opportunities we have before us to help.

Here at BulldozerFaith, we intercede for the spiritually lost and those desperate for the bare essentials as war victims. As watchmen on the walls, we sound the alarm to rise and play our part in bringing the love of Yeshua (Jesus) to Israel through aid relief and a message of hope in the Messiah. As a family and a ministry, we are bound by a sacred calling to care for the broken-hearted, but we cannot fulfill this mission without your assistance. The people in my county don't just need help with the essentials, things that the government and humanitarian aid organizations can supply; they need Yeshua (Jesus), who can restore a broken spirit and comfort the hearts of those whose loved ones have been eternally ripped away from them in the vilest of ways, ways that our minds cannot comprehend or process. As believers, if you have ever experienced unsurmountable grief, you would know just how the Holy Spirit has a way of healing and restoring that no words could do because it is a supernatural process.

We want to show them that Yeshua (Jesus) is right here, right now, just like He was 2000 years ago, only now He is reigning as king in the body of His people, living stones, and here to help them overcome in the battle of their souls. Shalom (peace) found only in Yeshua!

Your contributions will enable us to extend a helping hand to those who need it most—families shattered by the ravages of genocide and war, mourning the loss and devastation of so many loved ones, individuals struggling to find their loved ones, and those waiting for the return of their fallen heroes.

Your generosity will provide much-needed relief regarding physical aid and emotional support as we offer our prayers and comforting presence to those affected by this crisis. We are asking for donations as we prepare for what we need. We plan to purchase everything we need for logistical and distribution support including an extra vehicle. We already have set up distribution worksite on our property to manage everything needed providing support to other ministries in Israel as we all work together. The goal is to make the most of every donation given to the ministry fueling trucks and transportation help.

Our Prime minister, Benjamin Netanyahu, has repeatedly reiterated to prepare for this long war, so the needs will continue.

The story about Esther in the Bible comes to mind as I seek the Lord daily for His direction and leading at this time. We are all "born for such a time as this."

This is happening now in our time, and it's our responsibility as living epistles to step up and minister the love of Yeshua (Jesus) through our actions as the Spirit leads.

Every contribution will increase the relief efforts of our ministry, and every prayer offered will be a source of strength to open up the heavens and see many people saved at this time. It is essential to realize the scale of the operation ahead of us, and some may also feel led to commit to monthly support options, which helps us plan more effectively.

To this, we thank you.

Ministry Background

BulldozerFaith (Gottalife Ministries) is an Israeli ministry with a USA Not-for-Profit and partners in many nations. We are a mission agency founded by Dr. Kenny Russell, a Scottish Israeli who has been in full-time ministry internationally for 36 years.

During this time, some of the critical elements of the ministry have been

- Bible teaching
- Pioneering of "Pastor of the Parks" during mission trips in different countries
- Pioneering of "A Letter of Hope" given out continually
- On our mission trips, we focus on supporting the needs of the poor and homeless as we share the Gospel on the streets.
- Mission training on impacting our communities for Christ outside the walls of traditional Christianity is a big focus.

As we are skilled and experienced in adapting to the events in communities, it is our privilege to offer whatever help we can to the broken and desperate on the streets of Israel. We believe it is time for a move of God in the land of Israel, and we know we are on the edge of the most incredible outpouring of the Holy Spirit in the land of promise.

So many people preach a visionless message of a "get me to heaven" mindset while compromising on investing in the Great Commission and training the next generation of spiritual leadership.

Working with BulldozerFaith means your financial contribution meets the physical needs and an opportunity to share Christ.

How You Can Help – Individual or Group Efforts

Many Christian leaders are unaware that only a few Christian ministries in Israel can offer both humanitarian aid with spiritual support.

This is because they don't work independently in distribution but partner with religious Jewish agencies and government-leading projects.

Being based in Israel for many years, we remain focused on operating independently of these agencies as they don't allow us to minister as Yehovah leads or to give out printed gospel material, offer prayer and counseling in the name of Yeshua (Jesus). We are not subject to the charity commissions of Israel either as we must operate as an overseas agency to manage persecution and attacks, which are a present risk here in Israel.

Our international setup enables us to protect and manage the finances of our donors and is essential to help us operate freely, so on this, we praise YeHoVaH!

It is important to note that we fully abide by the laws of the land of Israel, and nothing we do is illegal. It also means that through private donations, our ministry has instant access to funds we can use immediately.

We know what we can and cannot do, but in Israel, persecution for believers in Yeshua (Jesus) is still a reality, and we have to minister one home at a time, seeking houses of peace where we can share the Scriptures as well as boldly sharing the Jewish Messiah, Yeshua while praying in Israeli streets, offering assistance and ministering the Gospel in Christ's love.

Giving in Israel through BulldozerFaith means the people we support and distribute aid to in the war-torn areas and those displaced from their homes will also receive the Letter of Hope offering spiritual help and a clear plan of salvation through Yeshua.

Thank you for your interest in our ministry, and we praise Yehovah for the privilege of continuing to go into the world with the Gospel of the Kingdom.

The ongoing war *in Israel*

7th October and ongoing

Update.

The most recent discovery by the IDF is an extensive and complex tunnel network in Jabalia, northern Gaza. It has a level of connectivity and design that has not been seen before. This tunnel system has now been dismantled, but sadly, this is also where the bodies of five hostages were found. Israel must destroy all these tunnels as they provide Hamas and their operatives with accommodation, toilets, showers, weapon production, electricity, air supply, water, ventilation technology, and the ability to keep fighting.

Currently, the battle with Hamas is concentrated in areas of terror infrastructure and weapon supply locations throughout Gaza, but more so now in the South. The operations in southern Gaza are expanding until all of the IDF's objectives have been accomplished.

Hamas prefers to store their weapons, rockets, and rocket launchers in schools, UN schools in particular, hospitals, and mosques while using women and children not only as human shields but also as decoys pretending to surrender to deceive Israeli soldiers to lure them to their deaths. There has been consistent activity in the North, with barrages of missiles fired by Hezbollah from Lebanon into the north of Israel. Israel will continue to respond with the same level of aggression.

The focus for the future of Israel is for Israeli citizens to be able to return safely to their homes. Until a long-term solution is found, the only option for Israel is to keep using military force.

Israel is now at war on seven fronts: Judea and Samaria, Gaza, Lebanon, Yemen, Iraq, Iran, and Syria.

A very sad reality for the children of terrorists being taught the lies of eternal blessings in Jew-murder and hatred.

But as for me and my house, we will serve YHVH

"Start children off on the way they should go, and even when they are old they will not turn from it."

Proverbs 22:6

Why Should You Care?

I was asked this question at a community event where I spoke, with a mixed crowd of "saved" and the "not yet saved", where most were willing to listen to someone from the land of Israel talk about the plight of the Israelites.

It was a fantastic opportunity to speak in the Pub venue so, before I expanded on the war in Israel news, I shared the gospel of the Kingdom from a Hebraic perspective. I covered the good news from Genesis to Revelations and explained our covenant through Yeshua and the importance of Abraham as the father of our faith.

In the end, we had time for questions and answers, and I was surprised the first couple of questions were from people trying to understand the covenant from the perspective of a marriage covenant which was great to witness the demonstrating hunger to go deeper in Messiah.

The last question of the night was from a gentleman who asked quite simply, "Why should we (people out in the nations) care about the war in Israel? What a great question!!

My response was this.

"Because God so loved the world" John 3:16

Everything happening in Israel makes a difference to you (people of the nations), so when God pours out in Israel, your nation's blessings will be beyond anything you can imagine.

To see how God will bless your nation, read Micah 4 - "The people will take their spears and turn them into pruning hooks. You will sit under your vine in a place of safety. You will not be in a place of fear of war."

This is why we are so upside down in the times we live in, because, logically, we think everything is going to hell in a handbasket. Still, according to the Bible, there is a plan that God has laid out for the redemption of all humanity.

Everyone says, "Just give me the remnant; everyone's going to fall away; there will just be a little remnant saved." But notice it is through the remnants in Scripture that change and deliverance come. Gideon had an army of 30,000, but that was too many for God, so He reduced them to 300 because the 'battle belongs to the Lord."

So, let's see a remnant rise up a people who bring the message of God to the nations that display God's hand in your country and Israel, turning the negative into the positive working of a mighty God! Hallelujah! We must look to Israel to know what time it is. Amen.

This is why I do what I do. I want the people in the nations to know the truth because only God's truth sets us all free from the bondage of lies. There is so much twisting of the truth and misinformation on mainstream news that many people are deceived even when shown evidence.

There is so much work to be done, and we need people like you to pray continually for the ministry. If you can commit to monthly donations, we can increase our support.

To give please use our link <https://member.bulldozerfaith.com/give>

Thank you so much to everyone who already supports the work we do, we appreciate all your help!

You Make A Difference

"In the hot, dry, foreboding desert and the overcrowded, cynical and distrusting ghetto, from the heavily addicted, lonely and lost soul, from the seeming self-sufficient, affluent but bitter hearted, from the hungry, emaciated and wandering refugee; they all have something in common.

From all of their eyes, they're crying out, 'Help!' 'Help me make sense of it all. Help me find the real meaning of life and some sense of purpose. Help me find the answers to my problems and life's perplexing questions. Help stop the hurting and me hurting myself and others. Help me get ahead in life instead of always feeling I've been left behind and forgotten.

Sir, Madam, please help me...

Please show me that you really care. Will you try to help meet my needs? Will you go beyond yourself and come into my world, even for a short time? Will you put yourself out even a bit and throw me a lifeline? I can't promise not to try to take advantage of you or your efforts because it's been so long since anyone has ever really looked at me, let alone really try to help me. I'm not going to verbalise it, but I need to know God is real and that He cares and that there are answers because right now I don't believe it."

Bob

Can you and I believe we can be conduits of hope from the Almighty to this world in such deep trouble? Compassion, love, wisdom, salvation, healing, deliverance, power, and hope from the Creator can flow through you and me if we care enough and step out in faith to serve the lost soul.

Yeshua did not come to be served but to serve.

What did you show up for? The answer to humanity's longing lives inside of you and His Name is Yeshua of Nazareth. Will you invite Him to the scene of your next encounter?

P.S. Heavenly Father is mobilizing a faith team ready to be used by the Master in any way He commissions and sends us. Are you one of these warriors?

PSS. By having Yeshua as the living Word inside you, your wisdom surpasses the world's.

PARTNERSHIP IN MINISTRY.

Gottalife Ministries is blessed to have a growing partnership base standing with us. We want to encourage newcomers to consider partnering with BulldozerFaith, monthly or as the Ruach HaKodesh leads.

We have been serving the global community of believers for decades through media, online, and traveling ministry. For us, it is not only about people listening to teachings and attending ministry events but also joining together with other like-minded people to engage in missions.

Today, we are connected with a growing group of passionate believers from different nations who desire to gather in one designated online space for prayer and encouragement in the Messiah. This has inspired us to launch Crossing Point Global Community to support the calling the Father has placed on our lives and create an environment for us to unite in faith and purpose.

The positive takeaway from the events of 2020 during the COVID-19 pandemic is that we have enjoyed more frequent interaction and online fellowship. Our daily devotional times have been a great source of encouragement and faith-building as we focus on edifying and supporting many on their daily faith walk.

Through BulldozerFaith, get ready for more spiritual growth and consider playing a part in our mission to develop ways to interact and build a strong faith community. Crossing Point's focus is to be a new platform developed within Bulldozerfaith as an outreach tool to share with our families and friends, bringing Yeshua's truth through the Torah and the Gospel of the Kingdom. We will be providing better access to personal ministry, prayer groups, and discipleship training to equip and operate more as a faith community where we can serve each other and function better as the body of Messiah, making a difference in others' lives.

Our direction in outreach is in three steps for ministry growth: friendship, relationship, & partnership.

1. **Friendship** – Outreach through caring for the needs of others and hands-on personal ministry.
2. **Relationship** - When we spend time together around the Word in the presence of Elohim, bringing us all to closer relationships, as a family, being one in the Messiah.
3. **Partnership** - When we establish mutual trust and desire unity together in outreach and fellowship, partnering becomes easy for seeking His Will and being dedicated to giving in time and finances to support the ministry.

We are prayerfully seeking Elohim to bring new partners to join us as the Spirit leads us to continue maintaining the ministry and expanding into the areas of greatest need.

Kenny is available to chat with you if you are considering supporting us in any way, and we thank you for being a part of what Yehovah is doing through BulldozerFaith.

Please send Kenny an email at kenny@bulldozerfaith.com, and we look forward to what YHVH has in store for our future.
