BulldozerFaith Mission Agency

What is a Mission Agency?

Mission organizations focus on helping missionaries get on the field, whether in their own country or overseas. They provide much of the training, resources, and on-field guidance for missionaries to be effective in various areas of ministry while advising on how to maneuver life overseas within different cultures and be accountable in their work. They also teach them how to make disciples.

Missionaries in Scripture were called and sent out by Yehovah (God) (Acts 18:9-11, 23:11). In obedience to God's calling, the Ecclesia in Antioch prayed for Paul and Barnabas before they sent them on their way (Acts 13:1-4). Paul and Barnabas then returned to Antioch to give testimony of what the Lord had done through them (Acts 14:24-27). They also shared their testimonies with the Ecclesia in Jerusalem (Acts 15:2-4). Paul also received financial support from the Ecclesia in Philippi.

Praying and financially supporting missionaries are very important scriptural roles of the Ecclesia.

Mission Agency Goals Are In - Training, Equipping and Releasing

We desire to teach the scriptural foundations with a focus on being led by the Spirit in our every decision and plan. Starting with the vision for BulldozerFaith on the journey to break the spirit of religion and mobilize the body of Messiah to action and the subsequent steps in how to establish outreach projects. (see following page)

The emphasis of 'BulldozerFaith' is declaring that I'm no longer walking in the old man. I am delivered and set free. So deliverance is very much a part of our mission, as is repentance and being immersed (baptized).

Immersion (baptism) is a physical representation of leaving the old man behind and emerging a new spiritual creation from the water in Yeshua (Jesus). Immersion (baptism) is an essential first step for all believers.

So, we focus on helping people be effective first where they are right now. There is no reason to leave your job or travel overseas unless that is where the Holy Spirit is leading you. We will help you "cross over" into living out your salvation by the Spirit to be a productive member of the Kingdom of Yehovah (God), bearing much fruit and leaving the old worldly ways behind, which the Bible describes as "dead wood."

Our priority is connecting with the not-yet saved and being led by the Spirit to set the captives free.

The structure of our mission agency is open key locations for community transformation and practical training in the field. We are an action agency whose purpose is to train, equip, and release.

"Then Jesus came to them and said, 'All authority in heaven and on earth has been given to Me. Therefore go and make disciples of all nations, baptizing them in the name of YESHUA HAMACHIACH / JESUS and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'"
Matthew 18:18-20

Our mission agency will provide you with all the tools and support that you will need to step out in faith in the life that Yehovah is calling you.

We seek also to identify and support the Five Fold Ministries, offering the process to provide ordinations and accountability under the banner of BulldozerFaith, Gottalife Ministries.

Please join our Crossing Point Community Facebook Group for prayer support and testimonies. Upon joining, you will then be able to participate each week on a Zoom call to connect positively as the Body of Yeshua (Jesus).

HAVE WE LOST THE LOVE

The Vision

by Dr. Kenny Russell

In 2006, I received a vision and a word to help believers worldwide in spiritual transformation.

The Holy Spirit told me, "I want you to tell My people about BULLDOZERFAITH. It's time for people to get Yeshua (Jesus) out of their backpacks into their hearts and get on the right foundation—the rock of Yeshua (Jesus)"

From this word, the "BulldozerFaith" project was birthed to help new believers understand the concept that they are a new creation; their old life has passed away, and now it is time to learn how to walk in the spirit to have victory as a new person in Yeshua.

Fundraiser Volunteer

Hey everyone! We're on the lookout for someone with fundraising experience who can confidently reach out to organizations and tell them all about what we do. We need someone willing to make those connections and get our message across. If you've got that experience and you're up for the challenge, we'd love to hear from you! Let's make a difference together.

** If you are interested in volunteering with Bulldozerfaith, please email Kenny on kenny@bulldozerfaith.com to discuss.*

Training and *evangelism*

Evangelism is spreading the Gospel of the Kingdom of Jehovah by teaching and praying for others from our personal testimony. We train people to reach out to people where they are and to minister to their immediate needs. This is how Yeshua reached the lost, broken-hearted, and demon-possessed. Yeshua didn't use a prewritten script when He ministered to people and neither do we.

Our goal is to establish a training centre near Fort Worth, Texas and Penbrook Canada centred on discipleship. Discipleship for us is a little different because it is about laying a foundation of understanding the importance of following the Holy Spirit within our lives as our teacher.

From there we want to be training and activating people who are coming to share with the not yet saved in their community. We train them right away to be involved in making disciples and not to sit back and watch only the leaders in the group go out.

Establishing groups

The word I received from the Holy Spirit was to establish 1000 locations for Pastor Of The Park as a form of community outreach where we make ourselves available to everyone who passes by. We pray for the right location before we begin, walking the site and claiming the ground for Yehovah's work. This leads to one-on-one fellowship, guidance in the Word, and praying for various needs. This has been very successful, and choosing the right location is paramount as you need to be accessible to as many people as possible. This is one way of meeting people where they are. Even though Yeshua (Jesus) sometimes taught in Synagogues, He also moved around and taught in the countryside and people's homes. We do the same. The vision is for this to be integrated across many different locations globally.

Community Outreach

We teach outreach in many different ways. It could be offering to help the elderly carry their shopping bags to their car, mowing lawns or playing a game of darts at the local community hangout. The point is to identify how we can bring Yeshua into the needs of our community so we can share the gospel. Its about sharing the Gospel through our actions!

Houses Of Peace

"When you enter a house, first say, 'Peace to this house.' If someone who promotes peace is there, your peace will rest on them; if not, it will return to you. Stay there, eating and drinking whatever they give you, for the worker deserves his wages. Do not move around from house to house." Luke 20:5-7

Whenever we travel the Lord always prepares the hearts of the homes where we stay. A House of Peace is an excellent support system for new believers to integrate into the body of Yeshua.

Update on the War in Israel North & South

SOUTH - IDF operations in the Gaza Strip against Hamas terrorist operatives and relevant infrastructure continue in Khan Yunis and deeper into Gaza City, including a concentration of efforts underground to reach Hamas leadership and the hostages. Targeted raids continually uncover large quantities of weapons, including RPGs, military equipment, and technological assets.

NORTH - We are seeing ongoing terrorist activity on the southern Lebanese border from Hezbollah attacking Israel and Israel, retaliating and eliminating targets posing a threat.

The IDF is increasing its preparation on the northern border with the expectation of severe military action at the end of the cut-off date for Hezzbolah to retreat beyond the Litani River. They have been performing training exercises involving live fire and urban warfare. The exercises prepare troops for combat in densely populated urban areas, winter weather conditions, and northern terrain: the training combined tanks, combat engineering, infantry, and artillery forces. We continually pray for the safety of the IDF and the safe and swift return of the hostages still in Gaza.

CALL TO ACTION

Can you help?

TENT PACKS will include a tent, camp cots, and blankets

OUR GOAL is to buy 10-20 units
Each pack is valued at \$2,000

Some of these packs will be supplied to IDF soldiers protecting our borders. We are well into winter now and the soldiers fighting in the North are battling snow and freezing cold winds so they especially need your help.

URGENT

**We would like to sincerely thank*

everyone who has kindly donated at this time.

Because of your generosity, we have been able to help many families and will continue to do so.

We have made ourselves available wherever there is a need but mainly focusing on delivering goods as this is where there a real lack of available transport options.

Swords Of Iron Including Letters Of Hope In English and Hebrew

Messianic Emergency Relief Fund and letter of introduction for BulldozerFaith for you to share with individuals and fellowships in your area interested in knowing more about support and praying through the war.

Message

We need your prayers and support right now and we understand some are just starting to get to know our ministry and work and we want to share a letter of introduction about us and our work.

I am writing this to you as a Minister of the Gospel for over 30 years and a citizen of Israel for the past 13 years. At this time, I have witnessed my family, friends, neighbors, and fellow citizens live through the atrocities and trauma of the current war against Hamas, the terrorist organization in Gaza, in the South, and now we are preparing for an ongoing war with an even greater terrorist organization Hezbollah in Lebanon pointing hundreds of thousands of missiles at Israel and not forgetting the Houthis in Yemen, the dangers in Syria who are all proxies of the Islamic regime in Iran all with the desire to eliminate the Jewish people and destroy the State of Israel.

We are in dark and desperate times, with over 1,400 of our citizens dead, murdered by demonized devils! We know that satan seeks to steal, kill, and destroy, but in the midst of raging violence, there are people born-again, washed and cleansed by the blood of Yeshua (Jesus), who will not sit back and do nothing. This is why we turn to you, our fellow soldiers in the army of the LORD today, for help. We can make a difference, through the many opportunities we have before us to help.

Here at BulldozerFaith, we intercede for the spiritually lost and those desperate for the bare essentials as war victims. As watchmen on the walls, we sound the alarm to rise and play our part in bringing the love of Yeshua (Jesus) to Israel through aid relief and a message of hope in the Messiah. As a family and a ministry, we are bound by a sacred calling to care for the broken-hearted, but we cannot fulfill this mission without your assistance. The people in my county don't just need help with the essentials, things that the government and humanitarian aid organizations can supply; they need Yeshua (Jesus), who can restore a broken spirit and comfort the hearts of those whose loved ones have been eternally ripped away from them in the vilest of ways, ways that our minds cannot comprehend or process. As believers, if you have ever experienced unsurmountable grief, you would know just how the Holy Spirit has a way of healing and restoring that no words could do because it is a supernatural process.

We want to show them that Yeshua (Jesus) is right here, right now, just like He was 2000 years ago, only now He is reigning as king in the body of His people, living stones, and here to help them overcome in the battle of their souls. Shalom (peace) found only in Yeshua!

Your contributions will enable us to extend a helping hand to those who need it most—families shattered by the ravages of genocide and war, mourning the loss and devastation of so many loved ones, individuals struggling to find their loved ones, and those waiting for the return of their fallen heroes.

Your generosity will provide much-needed relief regarding physical aid and emotional support as we offer our prayers and comforting presence to those affected by this crisis. We are asking for donations as we prepare for what we need. We plan to purchase everything we need for logistical and distribution support including an extra vehicle. We already have set up distribution worksite on our property to manage everything needed providing support to other ministries in Israel as we all work together. The goal is to make the most of every donation given to the ministry fueling trucks and transportation help.

Our Prime minister, Benjamin Netanyahu, has repeatedly reiterated to prepare for this long war, so the needs will continue.

The story about Esther in the Bible comes to mind as I seek the Lord daily for His direction and leading at this time. We are all “born for such a time as this.”

This is happening now in our time, and it's our responsibility as living epistles to step up and minister the love of Yeshua (Jesus) through our actions as the Spirit leads.

If you would like to consider a donation, please use these links.

[https://cash.app/\\$bulldozerfaith](https://cash.app/$bulldozerfaith)

Every contribution will increase the relief efforts of our ministry, and every prayer offered will be a source of strength to open up the heavens and see many people saved at this time. It is essential to realize the scale of the operation ahead of us, and some may also feel led to commit to monthly support options, which helps us plan more effectively.

To this, we thank you.

Ministry Background

BulldozerFaith (Gottalife Ministries) is an Israeli ministry with a USA Not-for-Profit and partners in many nations. We are a mission agency founded by Dr. Kenny Russell, a Scottish Israeli who has been in full-time ministry internationally for 36 years.

During this time, some of the critical elements of the ministry have been

- Bible teaching
- Pioneering of "Pastor of the Parks" during mission trips in different countries
- Pioneering of "A Letter of Hope" given out continually
- On our mission trips, we focus on supporting the needs of the poor and homeless as we share the Gospel on the streets.
- Mission training on impacting our communities for Christ outside the walls of traditional Christianity is a big focus.

As we are skilled and experienced in adapting to the events in communities, it is our privilege to offer whatever help we can to the broken and desperate on the streets of Israel. We believe it is time for a move of God in the land of Israel, and we know we are on the edge of the most incredible outpouring of the Holy Spirit in the land of promise.

So many people preach a visionless message of a "get me to heaven" mindset while compromising on investing in the Great Commission and training the next generation of spiritual leadership.

Working with BulldozerFaith means your financial contribution meets the physical needs and an opportunity to share Christ.

How You Can Help – Individual or Group Efforts

Many Christian leaders are unaware that only a few Christian ministries in Israel can offer both humanitarian aid with spiritual support.

This is because they don't work independently in distribution but partner with religious Jewish agencies and government-leading projects.

Being based in Israel for many years, we remain focused on operating independently of these agencies as they don't allow us to minister as Yehovah leads or to give out printed gospel material, offer prayer and counseling in the name of Yeshua (Jesus). We are not subject to the charity commissions of Israel either as we must operate as an overseas agency to manage persecution and attacks, which are a present risk here in Israel.

Our international setup enables us to protect and manage the finances of our donors and is essential to help us operate freely, so on this, we praise YeHoVaH!

It is important to note that we fully abide by the laws of the land of Israel, and nothing we do is illegal. It also means that through private donations, our ministry has instant access to funds we can use immediately.

We know what we can and cannot do, but in Israel, persecution for believers in Yeshua (Jesus) is still a reality, and we have to minister one home at a time, seeking houses of peace where we can share the Scriptures as well as boldly sharing the Jewish Messiah, Yeshua while praying in Israeli streets, offering assistance and ministering the Gospel in Christ's love.

Giving in Israel through BulldozerFaith means the people we support and distribute aid to in the war-torn areas and those displaced from their homes will also receive the Letter of Hope offering spiritual help and a clear plan of salvation through Yeshua.

Thank you for your interest in our ministry, and we praise Yehovah for the privilege of continuing to go into the world with the Gospel of the Kingdom.

How to have a SIMPLE and fulfilling walk with Yeshua

*"For those who are led by the Spirit of God are the children of God."
Romans 8:14*

SET-APART

Humans love to complicate things, starting with Adam and Eve's decision to disobey Elohim's (God's) instructions in the garden.

Every day, we face the temptation to choose the world's way over God's way, and how many times do we choose the right path? Sometimes, we are too impatient and don't take the time to pray and wait for God's instructions, or sometimes, we just want what we want and are determined to have it, so we don't ask God in case He says no. Sometimes, we just want to figure it out for ourselves because we don't want to be told what to do, and sometimes, it comes down to fear and not being able to fully trust Yehovah (God) yet—that will change! Either way, it's not how God wants us to live this life, knowing it would be spiritual suicide.

So, if Adam and Eve, who had never been exposed to sin and had no other temptation around them, fell so quickly into the first trap of satan, what chance do we have?

For starters, we don't have to rely on chance, which is the world's way; God's way is infallible. As born-again believers, we have the Ruach Ha Kodesh (Holy Spirit) inside us.

He is our guide, teacher, counselor, comforter, and advocate, among other things. **The Holy Spirit is our guaranteed seal of salvation, but we still have to walk this life out, and that's where our journey begins.**

Ephesians 1:13-14, "And you also were included in Christ when you heard the message of Truth, the gospel of your salvation. When you believed, you were marked in Him with a seal, the promised Holy Spirit, who is a deposit guaranteeing our inheritance until the redemption of those who are God's possession—to the praise of His glory."

So, we don't have to stumble through this life because God made a way for us to walk, see, and hear in the Spirit and to know His Truth. As we grow in Messiah we can feel the witness inside us as the Holy Spirit speaks, We identify the voice of the Spirit through reading and meditating on the Word, this testifies to what is being said and confirms the Word aligns with God's written Word. The Holy Spirit has many ways of communicating with us, and He won't give up on us if we genuinely want to walk this way with Him. We also have each other to bounce off and keep ourselves accountable. It's essential to stay connected within the assembly, which is the gathering of believers, the body of Yeshua. It doesn't have to be within an organized structure, or it can; what's important is that our fellowship is Messiah centered. God's way is that we work together to achieve His purpose on earth. And just like our physical bodies, we need each part to work and fulfill its purpose to be effective. We must seek the fellowship of others and find ways to grow together as a body as the enemy of our faith seeks to isolate us because he knows the impact of the assembly of believers. **Yehovah (God) needs every one of us in His Kingdom as we have all been assigned a job. If you are unsure what that job is, you only need to ask the Father, and He will show you.**

Sounds simple. Then why do so many of us get it wrong? One answer is religion. Nothing will quench the life of the Spirit within you faster than religion because it's not about religion. Our whole walk depends on being in a relationship with the living Elohim (God) who walks and talks with us daily if we will listen and obey.

One of the reasons Yeshua (Jesus) came in the flesh was to confront the religious leaders of that day because, in their disobedience, they were leading people away from Yehovah. It is the same today.

Matthew 23:1-3, "Then Jesus said to the crowds and His disciples: "The teachers of the law and the Pharisees sit in Moses' seat. So you must be careful to do everything they tell you. But do not do what they do, for they do not practice what they preach."

There are too many stories throughout history of evil practices done in the name of different religions that have turned people away from Elohim altogether.

This is not the Elohim (God) we serve. Yeshua (Jesus) came to save the world, not destroy it with lies, which is the work of the enemy. John 3:16, "For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life."

SET-APART

There are now more than 45,000 different denominations worldwide and only one Torah, so how does that work since followers of Messiah 'should' be based on the Torah as its foundational teaching? Local assemblies can be a great place to meet other believers and receive the nourishment of the Word **IF** it comes from a leader who follows and lives the Word of Yehovah (God), guiding others to do the same. But you don't need to belong to an assembly to experience the love and fellowship of other believers, learn the Scriptures, or do the will of Yehovah (God). Yehovah (God) works outside of the worldly constraints.

INSTRUCTIONS FOR LIFE

- *Genesis 1:28-30, "God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground." Then God said, "I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food. And to all the beasts of the earth and all the birds in the sky and all the creatures that move along the ground—everything that has the breath of life in it—I give every green plant for food."*
- *Genesis 2:8-9, "Now the Lord God had planted a garden in the east, in Eden; and there He put the man He had formed. The Lord God made all kinds of trees grow out of the ground—trees that were pleasing to the eye and good for food. In the middle of the garden were the Tree of Life and the tree of the knowledge of good and evil."*
- *Genesis 2:16-17, "6 And the Lord God commanded the man, "You are free to eat from any tree in the garden; but you must not eat from the tree of the knowledge of good and evil, for when you eat from it you will certainly die." Elohim (God) kept it simple.*

These foundational Scriptures are essential because they show in the beginning that Elohim (God) provided all different kinds of trees and plants producing fruit to nourish our physical bodies and the Tree of Life Yeshua to nourish our spiritual bodies to eternal life.

In Elohim's (God's) righteousness, He also provided a way for us to choose to love Him, which is to obey Him. We all have to CHOOSE at some time in our lives to love/obey Elohim (God) because LOVE without a choice is CONTROL, and God never controls us. He brings us to the place to choose, just like He did with Adam and Eve. God didn't make this hard for humankind because He planted the two trees in the middle of the garden, making it a constant visual reminder that we all have a choice every minute of the day to love and obey Him. Tzitzits are a perfect visual for us to wear today for the same purpose.

Numbers 15:37, "The Lord said to Moses, "Speak to the Israelites and say to them: "Throughout the generations to come you are to make tassels on the corners of your garments, with a blue cord on each tassel. You will have these tassels to look at, and so you will remember all the commands of the Lord, that you may obey them and not prostitute yourselves by chasing after the lusts of your own hearts and eyes. Then you will remember to obey all my commands and will be consecrated (set apart) to your God."

LOVING AND OBEYING GOD NEEDS TO BE AT THE CENTRE OF OUR EXISTENCE FOR US TO SURVIVE.

THE GREATEST COMMANDMENT

Mark 12:28-31, "One of the teachers of the law came and heard them debating. Noticing that Yeshua (Jesus) had given them a good answer, he asked Him, "Of all the commandments, which is the most important?" "The most important one," answered Yeshua (Jesus), "is this: 'Hear, O Israel: The Lord our God, the Lord is One. Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these." Elohim kept it simple, so seek first His kingdom and His righteousness and be set apart from this world!

PARTNERSHIP IN MINISTRY

Gottalife Ministries is blessed to have a growing partnership base standing with us. We want to encourage newcomers to consider partnering with BulldozerFaith, monthly or as the Ruach HaKodesh leads.

We have been serving the global community of believers for decades through media, online, and traveling ministry. For us, it is not only about people listening to teachings and attending ministry events but also joining together with other like-minded people to engage in missions.

Today, we are connected with a growing group of passionate believers from different nations who desire to gather in one designated online space for prayer and encouragement in the Messiah. This has inspired us to launch Crossing Point Global Community to support the calling the Father has placed on our lives and create an environment for us to unite in faith and purpose.

The positive takeaway from the events of 2020 during the COVID-19 pandemic is that we have enjoyed more frequent interaction and online fellowship. Our daily devotional times have been a great source of encouragement and faith-building as we focus on edifying and supporting many on their daily faith walk.

Through BulldozerFaith, get ready for more spiritual growth and consider playing a part in our mission to develop ways to interact and build a strong faith community. Crossing Point's focus is to be a new platform developed within Bulldozerfaith as an outreach tool to share with our families and friends, bringing Yeshua's truth through the Torah and the Gospel of the Kingdom. We will be providing better access to personal ministry, prayer groups, and discipleship training to equip and operate more as a faith community where we can serve each other and function better as the body of Messiah, making a difference in others' lives.

Our direction in outreach is in three steps for ministry growth: friendship, relationship, & partnership.

1. **Friendship** – Outreach through caring for the needs of others and hands-on personal ministry.
2. **Relationship** - When we spend time together around the Word in the presence of Elohim, bringing us all to closer relationships, as a family, being one in the Messiah.
3. **Partnership** - When we establish mutual trust and desire unity together in outreach and fellowship, partnering becomes easy for seeking His Will and being dedicated to giving in time and finances to support the ministry.

We are prayerfully seeking Elohim to bring new partners to join us as the Spirit leads us to continue maintaining the ministry and expanding into the areas of greatest need.

Kenny is available to chat with you if you are considering supporting us in any way, and we thank you for being a part of what Yehovah is doing through BulldozerFaith.

Please send Kenny an email at kenny@bulldozerfaith.com, and we look forward to what YHVH has in store for our future.
